### **Directions to 3121 E. Madison St., Suite 210**

My office is at 3121 East Madison St., Suite 210, Seattle, WA 98112. The building complex is called "Arboretum Court." There are twin buildings on both sides of the street. The office is on the south side of the street.

#### **General Location**

The office is near the intersection of Lake Washington Boulevard and East Madison Street. It is between Lake Washington Boulevard and 32<sup>nd</sup> Ave. E. on the south side of East Madison Street. The Arboretum is on the northwest corner; a gas station on the northeast corner, a pizza place on the southwest corner, and a Landmark Real Estate building on the southeast corner.

#### **Parking**

There is a parking lot under the building. Unfortunately the spaces are small.

To reach the lot coming *east* from the intersection of Lake Washington Boulevard and East Madison Street, take a right at the first alley after Lake Washington Blvd. The alley is between the Landmark Real Estate building and Belle Epicurean. Follow the alley as it bends to the left and enter the parking lot at the first left. If you miss the alley take a right at the first street, 32<sup>nd</sup> Ave. E and your first right onto an alley. Enter to second garage on the right.

To reach the lot coming *west* from Madison Park, take a left at the blinking lights onto 32<sup>nd</sup> Ave. E. Then take your first right onto an alley. Enter to second garage on the right.

There is also parking in the front of the building but these spaces are 30 minutes or less. Street parking is available out front if you are lucky. There is a second underground lot just east of the first lot as well.

#### **Access to Building and Suite 210**

There is an elevator to the second floor at the southwest corner or stairs at the northeast corner of the garage.

*If you come up the elevator, go straight to the outside front door. Take a right onto the balcony and walk down to Suite 210.* It is right behind the tower and stairs in the middle of the complex, the last suite on this level.

If you come up the stairs it is right in front of you on the second floor balcony.

#### **Code**

*Contact me for the code to get into the suite.*

**Office**

When you come in, the waiting room is to the left as you enter. You may leave your coats in the entry hall if you wish. I will come out at your time, or if you come after your appointment time has begun, please come on back. My office is the one to the right as you go down the hall.

**Restrooms**

The restrooms are located on the second floor near the elevator. The key is inside the front door. There are also restrooms on the third floor. Go up the stairs and follow around to the right. These do not require a key.
